

Unit Code Alias Editor

The unit of measure can be configured to display as a different unit of measure for the Vendor (United Stationers or SP Richards) Catalog.

Qnet Unit Code Alias Editor

Add a Unit Alias	
Unit Code	Alias
<input type="text"/>	<input type="text"/>
<input type="button" value="Add"/>	

Enter the current unit of measure code into the Unit Code field, enter the alias unit of measure code into the Alias field and click on Add.

The chart will display the Unit Code and the Alias Code that will display on QNet.

Unit Code	Alias		
EA	each	<input type="button" value="Modify"/>	<input type="button" value="Delete"/>
BX	box	<input type="button" value="Modify"/>	<input type="button" value="Delete"/>
PD	pad	<input type="button" value="Modify"/>	<input type="button" value="Delete"/>

Modify allows editing of the Alias unit of measure.
